perplexity

KJVB ,KING SOLOMON LOVED MANY STRANGE - UNFAMILIAR ,700 WIVES,ALTOGETHER

King Solomon "loved many strange (foreign) women"-including Moabite, Ammonite, Edomite, Sidonian, and Hittite women-despite God's warning not to intermarry with them, as they would turn his heart from God. Altogether, Solomon had 700 wives, princesses, and 300 concubines (1,000 women in total), and his wives did indeed lead him astray from the LORD as he grew older[1] [2] [3] [4].
